NEWSLETTER

From the Principal

This will be the last newsletter of the term and I would like to take the time to thank you all for helping your child or children on their learning journey. For us to improve in anything it takes time and effort and many of our students have certainly been putting in the effort and are reaping the rewards from their hard work. Well done!

It is coming up to that time of year when our Year 5 students start thinking about whether or not they will apply for a school leadership position. Here at Mount Marrow Student Leadership is based on the following beliefs:

- To provide an active and supportive role in student management,
- To provide a role model for all students,
- To represent the school on required occasions, and
- To assist other students to be the best they can.

Students will receive their leadership application packages early next term.

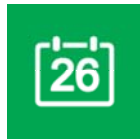

I would also like to say CONGRATULATIONS to our fabulous PE teacher who was happily married earlier this week.

Keep a watch on our school these holidays!

With the holidays fast approaching, we need you to look out for after-hours crime in our school. If you see anything suspicious, please don't attempt to intervene. Call the School Watch number – 13 17 88. The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools. Keep the number handy – 13 17 88 – and let's work together to help create a safer school community.

I wish you all a safe and happy holiday,
Emma McBain
